This requirement applies to employees, affiliated staff, contractors who are working on-site, and those teleworking in whole or in part. Limited exemptions to the Smithsonian Institution's COVID-19 vaccine mandate will be considered on a case-by-case basis for selected candidates who inform the Smithsonian that they cannot be vaccinated because of a disability, including certain medical conditions the Center for Disease Control (CDC) considers contraindications to the vaccine, or because of a sincerely held religious belief, practice, or observance. **Additional information and instructions regarding Smithsonian's COVID-19 mandate will be provided at the time of selection.**

OVERVIEW

Reporting directly to the Senior Vice President of E-Commerce, the Project Coordinator will work across the Smithsonian E-Commerce Group to provide project, operational, administrative, and business development support. This position provides the opportunity to learn about all aspects of e-commerce while contributing to daily business operations.

ESSENTIAL DUTIES AND RESPONSIBILITIES include, but are not limited to, the following:

- Executes projects at the direction of the SVP to support ongoing activities and special initiatives.
- Provides support with competitive research and business reporting (web analytics, key performance indicators, financials).
- Coordinates special projects such as limited edition merchandise drops and production of print marketing materials.
 - Works with the SVP and/or other e-commerce leaders to develop high-level project plan & schedule.
 - Develops and maintains project management documents.
 - Tracks project milestones and deliverables.
 - Organizes meetings and sends follow up meeting summaries and task lists to project team.
 - Coordinates and communicates feedback from stakeholders at key points in the process.
 - Modifies the UAT (user acceptance testing) plan and performs QA (quality assurance) tasks.
- Tracks, codes, processes and maintains vendor invoices, ensuring spending is within budget.
- Coordinates with HR on any e-commerce team needs, including but not limited to onboarding paperwork, ID cards, business cards, travel/purchase cards, office space, network access and computer and other technology requests.
- Assists SVP with various administrative duties including but not limited to:
 - Coordinating the SVP's calendar. Organizes complex meetings with several participants, from outside and inside Smithsonian Enterprises.
 - Taking initiative to make arrangements for meetings, i.e. reserving space, contacting individuals expected to attend, providing materials to be discussed, and coordinating catering arrangements, if necessary.
 - Making all arrangements for the SVP's travel including the processing of travel requests and expense reports.
 - Maintaining and updating documents and records for the SVP.
 - Assisting in the production of power point presentations for SVP.
 - Facilitating leave requests.
 - Providing basic office management support for the e-commerce group, working with the SE office manager to ensure that all support areas are maintained (e.g., office supplies, coordination with central IT group for virtual work support, etc.).

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Education, Requirements and Qualifications:

Bachelor's degree (B.A.) from four-year college or university; and one to four years related experience and/or training; or equivalent combination of education and experience.

- Self-starter with excellent analytical and communications skills (both verbal and written).
- Must be self-directed, able to function independently, exercise reasoned judgment, and be proactive in an energetic environment.
- Must have proven experience with all Microsoft Office products, especially Word, Excel and PowerPoint, as well as Google products, including Google Slides, Docs and Sheets.
- Experience with web analytics, such as Google Analytics, and project management applications, such as Asana, preferred. Willingness to learn new systems as needed.
- Ability to organize files, correspondence, and other information in a logical manner.
- High attention to detail.
- Independent judgment is required to plan, prioritize, organize diversified workload, and recommend changes in office practices or procedures.
- Must be able to handle information with a high level of confidentiality.
- High degree of flexibility exhibited in a "can do" attitude.
- High level of intellectual curiosity, self-motivated to solve difficult issues, continually seeking ways to improve.

Applicants, who wish to qualify based on education completed outside the United States, must be deemed equivalent to higher education programs of U.S. Institutions by an organization that specializes in the interpretation of foreign educational credentials. This documentation is the responsibility of the applicant and should be included as part of your application package.

Any false statement in your application may result in your application being rejected and may also result in termination after employment begins.
