### **VISITING A MUSEUM WITH MY ADULT (MOM, DAD, MY TEACHER, ETC.)**

Morning at the Museum

# Visiting a Museum with My Adult

I will visit a museum soon.

A museum is a big place.

It's important for children to visit big places with an adult.

# My adult knows a lot about me.

# My Adult Knows About Big Places

My adult has visited many big places.

So, my adult knows what to do in a big place.

# My adult cares about my safety.

My adult wants me to feel comfortable and have fun, too.

# Me and My Adult

Sometimes I visit big places.

My adult is with me.

This helps me have a safe and comfortable visit!
