SECTION VII: IDENTIFICATION AND REMOVAL OF BARRIERS
Affirmative Action Plan
for the Recruitment, Hiring, Advancement and
Retention of Persons with Disabilities

To capture agencies’ affirmative action plan for persons with disabilities (PWD) and persons with targeted disabilities (PWTD), EEOC regulations (29 C.F.R. § 1614.203(e)) and MD-715 require agencies to describe how their plan will improve the recruitment, hiring, advancement, and retention of applicants and employees with disabilities. All agencies, regardless of size, must complete this Part of the MD-715 report.

Section I: Efforts to Reach Regulatory Goals
EEOC regulations (29 C.F.R. § 1614.203(d)(7)) require agencies to establish specific numerical goals for increasing the participation of persons with reportable and targeted disabilities in the federal government.

1. Using the goal of 12% as the benchmark, does your agency have a trigger involving PWD by grade level cluster in the permanent workforce? If “yes”, describe the trigger(s) in the text box.
   a. Cluster GS-1 to GS-10 (PWD) Yes x No 0
   b. Cluster GS-11 to SES (PWD) Yes x No 0

</tr>
<tr>

<td>0</td>
</tr>
</tbody>
</table>

PWD in the GS-1 to GS-10 cluster and the GS-11 to Senior Level both were below the 12% benchmark for representation. For FY 2017 the Smithsonian workforce in the GS 1 to 10 cluster was at 10.2% PWD and the GS-11 to Senior Level was 5.5% PWD.

2. Using the goal of 2% as the benchmark, does your agency have a trigger involving PWTD by grade level cluster in the permanent workforce? If “yes”, describe the trigger(s) in the text box.
   a. Cluster GS-1 to GS-10 (PWTD) Yes 0 No x
   b. Cluster GS-11 to SES (PWTD) Yes x No 0

PWTD in the GS-11 to Senior Level fell below the 2% benchmark for representation. For FY 2017 the Smithsonian workforce at the GS-11 to Senior Level was 1.6% PWTD.

3. Describe how the agency has communicated the numerical goals to the hiring managers and/or recruiters.

The Director of the Office of Equal Employment and Minority Affairs (OEEMA) meets with Smithsonian Senior leadership individually on a quarterly basis to provide updates on their unit’s progress towards model EEO program implementation. These quarterly briefings include updates on workforce demographics and how snapshots of
their workforces align with CLF data in terms of representation. The EEO Director highlights opportunities for improvement, which includes echoing the numerical benchmarks put forth by the EEOC regarding the employment of PWD and PWTD as appropriate.

Section II: Model Disability Program
Pursuant to 29 C.F.R. §1614.203(d)(1), agencies must ensure sufficient staff, training and resources to recruit and hire persons with disabilities and persons with targeted disabilities, administer the reasonable accommodation program and special emphasis program, and oversee any other disability hiring and advancement program the agency has in place.

A. **Plan to Provide Sufficient & Competent Staffing for the Disability Program**

1. Has the agency designated sufficient qualified personnel to implement its disability program during the reporting period? If “no”, describe the agency’s plan to improve the staffing for the upcoming year.

   Yes x No 0

2. Identify all staff responsible for implementing the agency’s disability employment program by the office, staff employment status, and responsible official.

3. Has the agency provided disability program staff with sufficient training to carry out their responsibilities during the reporting period? If “yes”, describe the training that disability program staff have received. If “no”, describe the training planned for the upcoming year.

   Yes X   No 0

During FY 2017 the Office of Equal Employment and Minority Affairs in collaboration with the Office of the Chief Information Officer, provided a training session led by a representative from the USDA TARGET Center on strategies for accessibility in online training. Additionally, as part of the Smithsonian Office of Occupational Safety, Health and Environmental Management’s “Safety Day” fair, members of OEEMA shared with Smithsonian employees and the general public the Smithsonian’s reasonable accommodation policies and other accessibility related information.

During FY 2017, the Institution’s Access Smithsonian Office provided 23 separate trainings to units across the Institution covering all disability related laws related to employees and to answer any questions.

B. PLAN TO ENSURE SUFFICIENT FUNDING FOR THE DISABILITY PROGRAM

Has the agency provided sufficient funding and other resources to successfully implement the disability program during the reporting period? If “no”, describe the agency’s plan to ensure all aspects of the disability program have sufficient funding and other resources.

   Yes X   No 0

Section III: Plan to Recruit and Hire Individuals with Disabilities

Pursuant to 29 C.F.R. § 1614.203(d)(1)(i) and (ii), agencies must establish a plan to increase the recruitment and hiring of individuals with disabilities. The questions below are designed to identify outcomes of the agency’s recruitment program plan for PWD and PWTD.

A. PLAN TO IDENTIFY JOB APPLICANTS WITH DISABILITIES

1. Describe the programs and resources the agency uses to identify job applicants with disabilities, including individuals with targeted disabilities.

   The Smithsonian Institution continues to have a presence at recruitment/outreach events that target PWD and PWTD to include: National Federation for the Blind, EOP’s Careers and the disABLED Fair and Gallaudet University career fairs.
In September of 2013, the Smithsonian Institution, SEEC, and the Ivymount School launched a replication of Project SEARCH for young adults who have developmental disabilities. Additional partners include the Maryland Developmental Disabilities Administration, DC’s Rehabilitation Services Administration, and the Maryland Department of Rehabilitation Services. Project SEARCH interns are immersed in the Smithsonian Institution workplace, receiving daily classroom instruction and rotating among three distinct internships in positions that are meaningful to the mission of the department to which they are assigned and are based on each jobseeker’s strengths and interests. Currently, the Institution has 4 Project SEARCH graduates who are now paid Smithsonian employees, working a minimum of 20 hours per week and earning competitive wages and benefits.

The Smithsonian’s Access to Opportunities Internship program had 19 applicants in FY 2017 and 9 interns were selected into this paid program, with one intern being offered employment at the conclusion of the program.

The Institution continues to encourage the use of hiring authorities that take disability into account, such as Schedule A.

2. Pursuant to 29 C.F.R. § 1614.203(a)(3), describe the agency’s use of hiring authorities that take disability into account (e.g., Schedule A) to recruit PWD and PWTD for positions in the permanent workforce.

The Smithsonian uses a variety of appointing authorities to hire job applicants to include a special Schedule A (5 C.F.R. 213.3102(u)) appointing authority for persons with qualifying Intellectual Disabilities, Severe Physical Disabilities, or Psychiatric Disabilities. Disabled veterans may also be considered under special hiring programs for veterans with disability ratings from the Department of Veterans Affairs of 30% or more.. The Smithsonian fills positions two ways, competitively and non-competitively. All persons who are selected for positions must meet the qualification requirements for which they have been selected and be able to perform the essential duties of the position with or without reasonable accommodation. These positions are posted on the USAJOBS.GOV federal employment portal and other various recruitment outlets as deemed feasible/appropriate by the Institution/Unit/Museum. These candidates are considered solely based on their credentials submitted against the job requirements. The non-competitive process is engaged when a manager has identified a PWD and a position which are compatible. At that point, the recruitment package is prepared and submitted to the Office of Human Resources and processed accordingly.
3. When individuals apply for a position under a hiring authority that takes disability into account (e.g., Schedule A), explain how the agency (1) determines if the individual is eligible for appointment under such authority and (2) forwards the individual's application to the relevant hiring officials with an explanation of how and when the individual may be appointed.

An individual hired under this authority (Schedule A) must be ready to perform the job for which they are being considered. This certification is a statement that the individual is likely to succeed in the performance of the duties of the position for which he or she is applying. For instance, the certification of job readiness for an individual applying for a position as an Administrative Assistant or an Accountant may state that the "individual is likely to succeed performing work in an office environment." This certification of job readiness may be obtained from the same individuals that provided the proof of disability. The certification may be on the same documentation as the proof of disability or it may be a separate document.

(1) The agency determines if the PWD is eligible for appointment under such authority by verifying the Schedule A documentation for job readiness is acceptable from the following entities: a licensed medical professional (e.g., a physician or other medical professional certified by a state, the District of Columbia, or a U.S. territory to practice medicine); a licensed vocational rehabilitation specialist (i.e., state or private); or any Federal agency, state agency, or agency of the District of Columbia or a U.S. territory that issues or provides disability benefits. The HR office reviews the resume of the PWD against the classified position description along with the needs of the organization/unit/museum. This information is verified thoroughly prior to being presented to the hiring manager for position compatibility.

(2) Once this process is solidified by the HR Specialist, the documentation is then forwarded to the manager to review the credentials of the PWD, interview, and assess the overall qualifications of each qualified candidate. In addition, requests for reasonable accommodations are processed according to the Smithsonian’s procedures. Such accommodations may include the following examples: providing or modifying equipment or devices; providing readers and interpreters; modifying work schedules; adjusting exams, training materials, and position reassignment. An explanation of how and when the PWD may be appointed is provided to each manager at that time. The manager may receive the PWD application via several ways: on a merit promotion certificate or using a standard email system as a password protected document.
4. Has the agency provided training to all hiring managers on the use of hiring authorities that take disability into account (e.g., Schedule A)? If “yes”, describe the type(s) of training and frequency. If “no”, describe the agency’s plan to provide this training.

Yes x  No 0  N/A 0

The Smithsonian provides a Fundamentals for Supervisor Training on various human resources topics, including hiring persons with disabilities. This training is offered 3 to 4 times per year by the Office of Human Resources (OHR) to all new managers and supervisors. This training is a rigorous 8 hour training class which lasts 3 days by which attendance is mandatory for all 3 days in order to receive a certificate of completion. This training also provides an opportunity for managers and supervisors to discuss in detail all phases of human resources, especially how to recruit using special hiring authorities. Participants receive a binder of appropriate literature and are given contact information for future reference.

OEEMA also requires mandatory in-person and refresher EEO Training for Managers and Supervisors. The in-person session for new supervisors is offered 4 to 5 times per Fiscal Year and the refresher training (required every three years) is available online. Both cover the applicable authorities (i.e. ADA, Section 501 of the Rehab Act of 1973) that take disability into account.

B. PLAN TO ESTABLISH CONTACTS WITH DISABILITY EMPLOYMENT ORGANIZATIONS

Describe the agency’s efforts to establish and maintain contacts with organizations that assist PWD, including PWTD, in securing and maintaining employment.

During FY 2017, the Smithsonian Institution continued its efforts to establish and maintain contacts with organizations that promote and assist PWD and PWTD in securing and maintaining employment. Some of the Smithsonian’s most noteworthy accomplishments in this area during FY 2017 can be found below:

Project SEARCH: In September of 2013, The Smithsonian Institution, SEEC (Seeking Employment, Equality and Community for People with Developmental Disabilities) and Ivymount School launched a replication of Project SEARCH for young adults who have developmental disabilities. Additional partners include the Maryland Developmental Disabilities Administration, DC’s Rehabilitation Services Administration, and the Maryland Department of Rehabilitation Services. Project SEARCH is a 10-month internship program for young adults with cognitive disabilities, which is sponsored by Access Smithsonian. Interns are immersed in 3 10-week internships during their
tenure to increase their job readiness skills. In addition, interns gain experience in other job development areas, such as resume writing, interviewing and professional workplace behavior. Each year the Smithsonian hosts 10-12 interns. To date, SI has hired 21 interns with a 90% retention rate, further diversifying our workforce.

National Disability Employment Awareness Month Panel: Staff from Access Smithsonian participated on a panel to educate community organizations and to celebrate National Disability Employment Awareness Month. Panelists spoke about inclusive hiring practices.

Greater Washington Internship Coalitions: As a member of the GWIC, Access Smithsonian is dedicated to increasing the number of internship and educational opportunities for individuals with disabilities at SI and in the community. The GWIC meets quarterly. Members regularly participate in outreach events such as affinity-group conferences and internship/career fairs in Washington, DC to promote SI academic programs to diverse audiences.

Millennials in the Workplace: Access Smithsonian hosted a program to provide information about entering the workplace to millennials with disabilities. The Smithsonian collaborated with external partners (the Ivymount School, TransCen, and School Talk) to develop discussion topics and program materials. The event was attended by 7 SI staff members and 27 millennials from the community.

Employment Working Group: Access Smithsonian staff served on the Employment Working Group steering committee, which is led by the National Youth Transition Center. The EWG is comprised of 7 community organizations. The EWG will be creating training materials for businesses on how to provide accommodations for employees with disabilities and how to overcome unconscious bias when hiring.

Equal Opportunity Publication’s Careers & the disABLED Magazine’s Career Expo for People with Disabilities: This career fair brought industry and government together with a focus on opportunities for people with disabilities who are entry-level and professionals in all career disciplines. The Smithsonian team met with more than 100 potential employees and academic appointees, with an emphasis on disabled military veterans who want to reenter the workforce. Information regarding Federal Government’s Schedule A Hiring Authority and the Smithsonian’s internship programs that target individuals with disabilities was provided to attendees.
C. PROGRESSION TOWARDS GOALS (RECRUITMENT AND HIRING)

1. Using the goals of 12% for PWD and 2% for PWTD as the benchmarks, do triggers exist for PWD and/or PWTD among the new hires in the permanent workforce? If “yes”, please describe the triggers below.
   a. New Hires for Permanent Workforce (PWD)   Yes 0 No x
   b. New Hires for Permanent Workforce (PWTD)   Yes x No 0

PWTD represented 1.79% of new hires in the permanent workforce.

2. Using the qualified applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among the new hires for any of the mission-critical occupations (MCO)? If “yes”, please describe the triggers below.
   a. New Hires for MCO (PWD)   Yes x No 0
   b. New Hires for MCO (PWTD)   Yes x No 0

PWD and PWTD selections were under 1% using the benchmark.

3. Using the relevant applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among the qualified internal applicants for any of the mission-critical occupations (MCO)? If “yes”, please describe the triggers below.
   a. Qualified Applicants for MCO (PWD)   Yes x No 0
   b. Qualified Applicants for MCO (PWTD)   Yes x No 0

For the two positions that received permanent promotions, there were six qualified applicants, none who identified as PWD or PWTD.

4. Using the qualified applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among employees promoted to any of the mission-critical occupations (MCO)? If “yes”, please describe the triggers below.
   a. Promotions for MCO (PWD)   Yes x No 0
   b. Promotions for MCO (PWTD)   Yes x No 0
Of the 2 hires during FY 2017, there were no selections of PWD or PWTD during FY 2017.

Section IV: Plan to Ensure Advancement Opportunities for Employees with Disabilities

Pursuant to 29 C.F.R §1614.203(d)(1)(iii), agencies are required to provide sufficient advancement opportunities for employees with disabilities. Such activities might include specialized training and mentoring programs, career development opportunities, awards programs, promotions, and similar programs that address advancement. In this section, agencies should identify, and provide data on programs designed to ensure advancement opportunities for employees with disabilities.

A. Advancement Program Plan

Describe the agency’s plan to ensure PWD, including PWTD, have sufficient opportunities for advancement.

The Smithsonian monitors applicant and selection criteria for career development programs.

Access Smithsonian works to ensure the broadest inclusion, in part by implementing Smithsonian Directive 215 that covers accessibility for people with disabilities, including staff. Access Smithsonian also does a significant amount of training for Smithsonian staff about accessibility and disability. Access Smithsonian also works directly with individuals in the disability community as well as groups such as the American Association of People with Disabilities; with other cultural arts institutions such as the Kennedy Center; and with organizations such as the HSC Foundation (a parent organization that supports different levels and stages of care for people with disabilities) to identify opportunities to better serve PWD and PWTD.

B. Career Development Opportunities

1. Please describe the career development opportunities that the agency provides to its employees.

Program Overviews:

Emerging Leaders Development Program (ELDP) is a leadership development program for employees who are competitively selected at the GS/IS 11-12. The purpose of this program is to develop a diverse team of employees to be creative and effective “leaders on the line” by developing their leadership and interdisciplinary skills throughout Smithsonian.
Palmer Leadership Development Program (PLDP) is a leadership development program for employee who are competitively selected in grades GS13 and 14. The purpose of this unique program is to strengthen a participant’s leadership skills, foster an innovative culture, to increase his/her professional network, and expand the use of organizational best practices. The PLDP goal is to enhance the participant’s understanding of the complexities and breadth of the Smithsonian mission while preparing him/her to address new challenges.

(Pilot for FY 2018) Foundations of Professional Development is a professional development program for Smithsonian staff targeting grades 7, 8, 9, and 10. With potential future demographic shifts towards a less experienced workforce, there is a need to create an inclusive pipeline of talent, to encourage retention and to instill a culture of continuous learning as early as possible.

In the table below, please provide the data for career development opportunities that require competition and/or supervisory recommendation/approval to participate.

[Collection begins with the FY 2018 MD-715 report, which is due on February 28, 2019.]

3. If the agency has other types of employee recognition programs, are PWD and/or PWTD recognized disproportionately less than employees without disabilities? (The appropriate benchmark is the inclusion rate.) If “yes”, describe the employee recognition program and relevant data in the text box.
   a. Other Types of Recognition (PWD)  Yes 0  No 0  N/A x
   b. Other Types of Recognition (PWTD) Yes 0  No 0  N/A x
D. PROMOTIONS

1. Does your agency have a trigger involving PWD among the qualified internal applicants and/or selectees for promotions to the senior grade levels? (The appropriate benchmarks are the relevant applicant pool for qualified internal applicants and the qualified applicant pool for selectees.) For non-GS pay plans, please use the approximate senior grade levels. If “yes”, describe the trigger(s) in the text box.

      ii. Internal Selections (PWTD) Yes 0 No x

   There were no applicants or selections identified as being a PWTD.

3. Using the qualified applicant pool as the benchmark, does your agency have a trigger involving PWD among the new hires to the senior grade levels? For non-GS pay plans, please use the approximate senior grade levels. If “yes”, describe the trigger(s) in the text box.

   a. New Hires to SES (PWD) Yes x No 0
   b. New Hires to GS-15(PWD) Yes x No 0
   c. New Hires to GS-14 (PWD) Yes x No 0
   d. New Hires to GS-13(PWD) Yes x No 0

   Of the 47 new hires ranging from GS-13 through the Senior Level, one new hire (GS-13) identified as having a disability.
4. Using the qualified applicant pool as the benchmark, does your agency have a trigger involving PWTD among the new hires to the senior grade levels? For non-GS pay plans, please use the approximate senior grade levels. If “yes”, describe the trigger(s) in the text box.

   a. New Hires to SES (PWTD)  Yes  x  No  0
   b. New Hires to GS-15 (PWTD) Yes  x  No  0
   c. New Hires to GS-14 (PWTD) Yes  x  No  0
   d. New Hires to GS-13 (PWTD) Yes  x  No  0

Of the 47 new hires ranging from GS-13 through the Senior Level, one new hire (GS-13) identified as having a disability.

5. Does your agency have a trigger involving PWD among the qualified internal applicants and/or selectees for promotions to supervisory positions? (The appropriate benchmarks are the relevant applicant pool for qualified internal applicants and the qualified applicant pool for selectees.) If “yes”, describe the trigger(s) in the text box.

   a. Executives
      i. Qualified Internal Applicants (PWD) Yes 0  No  x
      ii. Internal Selections (PWD) Yes 0  No  x
   b. Managers

      ii. Internal Selections (PWD) Yes 0  No  x
   c. Supervisors
      i. Qualified Internal Applicants (PWD) Yes 0  No  x
      ii. Internal Selections (PWD) Yes 0  No  x

There were no internal applicants or selectees who identified as a PWD or PWTD.
6. Does your agency have a trigger involving PWTD among the qualified internal applicants and/or selectees for promotions to supervisory positions? (The appropriate benchmarks are the relevant applicant pool for qualified internal applicants and the qualified applicant pool for selectees.) If “yes”, describe the trigger(s) in the text box.

a. Executives
   i. Qualified Internal Applicants (PWTD) Yes 0 No x
   ii. Internal Selections (PWTD) Yes 0 No x

b. Managers
   i. Qualified Internal Applicants (PWTD) Yes 0 No x
   ii. Internal Selections (PWTD) Yes 0 No x

c. Supervisors
   i. Qualified Internal Applicants (PWTD) Yes 0 No x
   ii. Internal Selections (PWTD) Yes 0 No x

There were no internal applicants or selectees who identified as a PWD or PWTD.

7. Using the qualified applicant pool as the benchmark, does your agency have a trigger involving PWD among the selectees for new hires to supervisory positions? If “yes”, describe the trigger(s) in the text box.

a. New Hires for Executives (PWD) Yes x No 0
b. New Hires for Managers (PWD) Yes x No 0
c. New Hires for Supervisors (PWD) Yes x No 0

Of the 47 new hires ranging from GS-13 through the Senior Level, one new hire (GS-13) identified as having a PWD.

8. Using the qualified applicant pool as the benchmark, does your agency have a trigger involving PWTD among the selectees for new hires to supervisory positions? If “yes”, describe the trigger(s) in the text box.

a. New Hires for Executives (PWTD) Yes x No 0
b. New Hires for Managers (PWTD) Yes x No 0
c. New Hires for Supervisors (PWTD) Yes x No 0
Of the 47 new hires ranging from GS-13 through the Senior Level, one new hire (GS-13) identified as having a PWD

Section V: Plan to Improve Retention of Persons with Disabilities
To be a model employer for persons with disabilities, agencies must have policies and programs in place to retain employees with disabilities. In this section, agencies should: (1) analyze workforce separation data to identify barriers retaining employees with disabilities; (2) describe efforts to ensure accessibility of technology and facilities; and (3) provide information on the reasonable accommodation program and workplace personal assistance services.

A. VOLUNTARY AND INVOLUNTARY SEPARATIONS

1. In this reporting period, did the agency convert all eligible Schedule A employees with a disability into the competitive service after two years of satisfactory service (5 C.F.R. § 213.3102(u)(6)(i))? If "no", please explain why the agency did not convert all eligible Schedule A employees.

<td></td>
</tr>
</tbody>
</table>

2. Using the inclusion rate as the benchmark, did the percentage of PWD among voluntary and involuntary separations exceed that of persons without disabilities? If "yes", describe the trigger below.

   a. Voluntary Separations (PWD) Yes x No
   b. Involuntary Separations (PWD) Yes x No

Voluntary and involuntary separations (percentages) for PWD exceeded those of persons without disabilities. There were 391 separated individuals who identified as having no disability, of these 391 individuals, 338 separated voluntarily (6.8%) vs. 53 involuntarily separations (1%) for individuals without a disability.

There were 33 PWD who voluntarily separated (8%) and 5 PWD who were involuntarily separated (1.2%). Thus, PWD numbers exceeded (percentage wise) persons without a disability.
3. Using the inclusion rate as the benchmark, did the percentage of PWTD among voluntary and involuntary separations exceed that of persons without targeted disabilities? If “yes”, describe the trigger below.

   a. Voluntary Separations (PWTD)        Yes 0        No x
   b. Involuntary Separations (PWTD)      Yes 0        No x

4. If a trigger exists involving the separation rate of PWD and/or PWTD, please explain why they left the agency using exit interview results and other data sources.

   SI does not collect this data.

**B. ACCESSIBILITY OF TECHNOLOGY AND FACILITIES**

Pursuant to 29 C.F.R. § 1614.203(d)(4), federal agencies are required to inform applicants and employees of their rights under Section 508 of the Rehabilitation Act of 1973 (29 U.S.C. § 794(b), concerning the accessibility of agency technology, and the Architectural Barriers Act of 1968 (42 U.S.C. § 4151-4157), concerning the accessibility of agency facilities. In addition, agencies are required to inform individuals where to file complaints if other agencies are responsible for a violation.

1. Please provide the internet address on the agency’s public website for its notice explaining employees’ and applicants’ rights under Section 508 of the Rehabilitation Act, including a description of how to file a complaint.

   [https://www.si.edu/FAQs/Access](https://www.si.edu/FAQs/Access)

2. Please provide the internet address on the agency’s public website for its notice explaining employees’ and applicants’ rights under the Architectural Barriers Act, including a description of how to file a complaint.
3. Describe any programs, policies, or practices that the agency has undertaken, or plans on undertaking over the next fiscal year, designed to improve accessibility of agency facilities and/or technology.

During FY 2017, the Smithsonian provided a training session led by a representative from the USDA TARGET Center on strategies for accessibility in online training. Additionally, as part of the Smithsonian Office of Occupational Safety, Health and Environmental Management’s “Safety Day” fair, members of OEEMA shared with Smithsonian employees and the general public the Smithsonian’s reasonable accommodation policies and other accessibility related information. Additionally, the Smithsonian has dedicated staff charged with improving accessibility throughout the Institution. The responsibilities include:

• Advising on and implementing policy, practices, and procedures related to access for people with disabilities;
• Reviewing facility and exhibition designs;
• Providing technical assistance;
• Conducting outreach to the disability community and other cultural arts organizations;
• Providing staff education on disability topics; and
• Working with Smithsonian museums and offices to provide direct services, including sign language interpretation, real time captioning, and alternate formats of publications.

C. REASONABLE ACCOMMODATION PROGRAM

Pursuant to 29 C.F.R. § 1614.203(d)(3), agencies must adopt, post on their public website, and make available to all job applicants and employees, reasonable accommodation procedures.
1. Please provide the average time frame for processing initial requests for reasonable accommodations during the reporting period. (Please do not include previously approved requests with repetitive accommodations, such as interpreting services.)

The average time frame for processing initial requests for reasonable accommodations during FY 2017 was 27.7 days

2. Describe the effectiveness of the policies, procedures, or practices to implement the agency’s reasonable accommodation program. Some examples of an effective program include timely processing requests, timely providing approved accommodations, conducting training for managers and supervisors, and monitoring accommodation requests for trends.

During FY 2017, the Institution provided Smithsonian-wide email announcements regarding Reasonable Accommodation for persons with disabilities. The notifications provided additional information on CAP in addition to links that provide thorough information regarding the Smithsonian’s Reasonable Accommodation Program.

Required in-person and online EEO training provides employees, managers and supervisors with detailed information on the Reasonable Accommodation process. New employees are provided information on Reasonable Accommodation by representatives from OEEMA during New Employee Orientation sessions that occur bi-weekly.

During FY 2017, the Smithsonian provided a training session led by a representative from the USDA TARGET Center on strategies for accessibility in online training. Additionally, as part of the Smithsonian Office of Occupational Safety, Health and Environmental Management’s “Safety Day” fair, members of OEEMA shared with Smithsonian employees and the general public the Smithsonian’s reasonable accommodation policies and other accessibility related information.

D. PERSONAL ASSISTANCE SERVICES ALLOWING EMPLOYEES TO PARTICIPATE IN THE WORKPLACE

Pursuant to 29 C.F.R. § 1614.203(d)(5), federal agencies, as an aspect of affirmative action, are required to provide personal assistance services (PAS) to employees who need them because of a targeted disability, unless doing so would impose an undue hardship on the agency.

Describe the effectiveness of the policies, procedures, or practices to implement the PAS requirement. Some examples of an effective program include timely processing...
requests for PAS, timely providing approved services, conducting training for managers and supervisors, and monitoring PAS requests for trends.

The Smithsonian participated in numerous webinars and presentations sponsored by the EEOC in preparation for the development and execution of a successful PAS program in FY 2018.

Section VI: EEO Complaint and Findings Data

A. **EEO Complaint Data Involving Harassment**

1. During the last fiscal year, did a higher percentage of PWD file a formal EEO complaint alleging harassment, as compared to the government-wide average?
   
   Yes 0  No x  N/A 0

2. During the last fiscal year, did any complaints alleging harassment based on disability status result in a finding of discrimination or a settlement agreement?
   
   Yes 0  No x  N/A 0

3. If the agency had one or more findings of discrimination alleging harassment based on disability status during the last fiscal year, please describe the corrective measures taken by the agency.

B. **EEO Complaint Data Involving Reasonable Accommodation**

1. During the last fiscal year, did a higher percentage of PWD file a formal EEO complaint alleging failure to provide a reasonable accommodation, as compared to the government-wide average?
   
   Yes 0  No x  N/A 0

2. During the last fiscal year, did any complaints alleging failure to provide reasonable accommodation result in a finding of discrimination or a settlement agreement?
   
   Yes 0  No x  N/A 0

3. If the agency had one or more findings of discrimination involving the failure to provide a reasonable accommodation during the last fiscal year, please describe the corrective measures taken by the agency.
Section VII: Identification and Removal of Barriers

Element D of MD-715 requires agencies to conduct a barrier analysis when a trigger suggests that a policy, procedure, or practice may be impeding the employment opportunities of a protected EEO group.

1. Has the agency identified any barriers (policies, procedures, and/or practices) that affect employment opportunities for PWD and/or PWTD?
   - Yes x
   - No 0

2. Has the agency established a plan to correct the barrier(s) involving PWD and/or PWTD?
   - Yes x
   - No 0
   - N/A 0

3. Identify each trigger and plan to remove the barrier(s), including the identified barrier(s), objective(s), responsible official(s), planned activities, and, where applicable, accomplishments.

### Fiscal Year FY 2017

- During FY 2017, the Institution saw increases in the overall workforce for PWD and PWTD. PWD saw an increase from 414 (6.57%) in FY 2016 to 463 (7.22%) in FY 2017 (increase of 49 PWD). PWTD saw an increase from 53 (0.84%) in FY 2016 to 111 (1.73%) in FY 2017, and increase of 58 PWTD – this included the updated definitions and resurveying of the SI workforce pursuant to SF-256.

- During FY 2017, the Institution saw an increase of PWTD in the executive/seniors job category (0 identified as a PWTD in FY 2016, while there were 6 who identified as a PWTD in FY 2017)

- The Director of EEO (Office of Equal Employment and Minority Affairs) meets with Smithsonian Senior leadership individually on a quarterly basis to provide updates on their unit’s progress towards model EEO program implementation. These quarterly briefings include updates on workforce demographics and how snapshots of their workforces align with CLF data in terms of representation. The EEO Director highlights opportunities for
improvement, which includes echoing the numerical benchmarks put forth by the EEOC regarding the employment of PWD and PWTD as appropriate.

- During FY 2017, the Office of Equal Employment and Minority Affairs in collaboration with the Office of the Chief Information Officer, provided a training session led by a representative from the USDA TARGET Center on strategies for accessibility in online training. Additionally, as part of the Smithsonian Office of Occupational Safety, Health and Environmental Management’s “Safety Day” fair, members of OEEMA shared with Smithsonian employees and the general public the Smithsonian’s reasonable accommodation policies and other accessibility related information.

- During FY 2017, the Institution’s Access Smithsonian Office provided 23 separate trainings to units across the Institution covering all disability related laws related to employees and to answer any questions.

- The Smithsonian Institution continues to have a presence at recruitment/outreach events that target PWD and PWTD to include: National Federation for the Blind, EOP’s Careers and the disABLED fair and Gallaudet University career fairs.

- The Smithsonian’s Access to Opportunities Internship program had 19 applicants in FY 2017 and 9 interns were selected into this paid program, with one intern being offered employment and the conclusion of the program.

- The Smithsonian provides a Fundamentals for Supervisor Training on various human resources topics, including hiring persons with disabilities. This training is offered 3 to 4 times per year by the Office of Human Resources (OHR) to all managers and supervisors. This training is a rigorous 8 hour training class which lasts 3 days by which attendance is mandatory for all 3 days in order to receive a certificate of completion. This training also provides an opportunity for managers and supervisors to discuss in detail all phases of human resources, especially how to recruit using special hiring authorities. Participants receive a binder of appropriate literature and are given contact information for future reference.

- OEEMA also requires mandatory in-person and refresher EEO Training for Managers and Supervisors. The in-person session for new supervisors is offered 4 to 5 times per Fiscal Year and the
refresher training (required every three years) is available online. Both cover the applicable authorities (i.e. ADA, Section 501 of the Rehab Act of 1973) that take disability into account.

- PWTD saw an increase in QSI provided (0% in FY 2016 to 1.18% in FY 2017). Additionally, there were improvements time-off awards and monetary compensation for PWTD.

- During FY 2017, The Smithsonian Institution continued its efforts to establish and maintain contacts with organizations that promote and assist PWD and PWTD in securing and maintaining employment. Some of the Smithsonian’s most noteworthy accomplishments in this area during FY 2017 can be found below:

  - Project SEARCH: In September of 2013, The Smithsonian Institution, SEEC (Seeking Employment, Equality and Community for People with Developmental Disabilities) and the Ivymount School launched a replication of Project SEARCH for young adults who have developmental disabilities. Additional partners include the Maryland Developmental Disabilities Administration, DC’s Rehabilitation Services Administration, and the Maryland Department of Rehabilitation Services. Project SEARCH is a 10-month internship program for young adults with cognitive disabilities, which is sponsored by Access Smithsonian. Interns are immersed in 3 10-week internships during their tenure to increase their job readiness skills. In addition, interns gain experience in other job development areas, such as resume writing, interviewing and professional workplace behavior. Each year the Smithsonian hosts 10-12 interns. To date, SI has hired 21 interns with a 90% retention rate, further diversifying our workforce.

  - National Disability Employment Awareness Month Panel: Staff from the Access Smithsonian participated on a panel to educate community organizations and to celebrate National Disability Employment Awareness Month. Panelists spoke about inclusive hiring practices.

  - Greater Washington Internship Coalitions: As a member of the GWIC, the Access Smithsonian is dedicated to increasing the number of internship and educational opportunities for individuals with disabilities at SI and in the community. The GWIC meets quarterly. Members regularly participate in outreach events such as affinity-group conferences and
internship/career fairs in Washington, DC to promote SI academic programs to diverse audiences

- Millennials in the Workplace: Access Smithsonian hosted a program to provide information about entering the workplace to millennials with disabilities. The Smithsonian collaborated with external partners (the Ivymount School, TransCen, and School Talk) to develop discussion topics and program materials. The event was attended by 7 SI staff members and 27 millennials from the community.

- Employment Working Group: Access Smithsonian staff served on the Employment Working Group steering committee, which is led by the National Youth Transition Center. The EWG is comprised of 7 community organizations. The EWG will be creating training materials for businesses on how to provide accommodations for employees with disabilities and how to overcome unconscious bias when hiring.

- Equal Opportunity Publication’s Careers & the disABLED Magazine’s Career Expo for People with Disabilities: This career fair brought industry and government together with a focus on opportunities for people with disabilities who are entry-level and professionals in all career disciplines. The Smithsonian team met with more than 100 potential employees and academic appointees, with an emphasis on disabled military veterans who want to reenter the workforce. Information regarding Federal Government’s Schedule A Hiring Authority and the Smithsonian’s internship programs that target individuals with disabilities was provided to attendees.

4. Please explain the factor(s) that prevented the agency from timely completing any of the planned activities.
The Institution continues to embrace EEO diversity and inclusion in all aspects of our operations. Many of the identified triggers and barriers require ongoing efforts to continue each fiscal year. The Smithsonian will continue working towards meeting all benchmarks for PWD and PWTD.

5. For the planned activities that were completed, please describe the actual impact of those activities toward eliminating the barrier(s).

Planned activities for FY 2018 will be analyzed and reported on the FY 2018 MD-715 report.

6. If the planned activities did not correct the trigger(s) and/or barrier(s), please describe how the agency intends to improve the plan for the next fiscal year.

Planned activities from previous reports have yielded improvements on the overall representation of PWD and PWTD in SI’s workforce. The Institution will continue forward with initiatives aimed at the recruitment, hiring and retention of PWD and PWTD.
