These bylaws have been adopted by the Board of Regents to govern the conduct of the Smithsonian Institution's business pursuant to an Act of Congress approved August 10, 1846, as amended (20 U.S.C. § 41, et seq.), which act as so amended is hereinafter referred to as the "Charter." These bylaws are in all respects subject to the provisions of the Charter and shall be interpreted accordingly.

1.02 AMENDMENT

These bylaws may be amended at any meeting of the Board of Regents by a majority vote of the Regents present, provided that the proposed amendments have been mailed to each member of the Board of Regents not later than thirty days prior to such meeting.

Section 2. Board of Regents

2.01 POWERS AND COMPOSITION

The governing body of the Smithsonian Institution is the Board of Regents specified in the Charter. (See also 20 U.S.C. § 42.)

2.02 APPOINTMENT

Members of the Board of Regents are appointed or elected in the manner specified by the Charter. When a vacancy arises from death, resignation, or retirement of a citizen member elected by joint resolution of Congress, the Board of Regents shall nominate a proposed successor for consideration by the Senate and the House of Representatives. (See also 20 U.S.C. § 43.)

2.03 TERM OF OFFICE AND VACANCIES

Regents shall serve such terms, and vacancies on the Board of Regents shall be filled, as specified in the Charter. In nominating citizen members of the class, other than residents of the District of Columbia, for election by joint resolution of Congress, the Board of Regents shall give consideration to rotation of membership among citizens of the various states. The Board of Regents shall not nominate citizen members to succeed themselves after they have served two consecutive six-year terms. (See also 20 U.S.C. § 43.)

2.04 MEETINGS

The Board of Regents shall hold regular and special meetings at such times and places as the Board of Regents may from time to time determine, provided that one meeting annually shall be held in the District of Columbia, and provided further that any meeting at which a Chancellor or a Secretary is elected shall be held in the District of Columbia. A special meeting of the Board of Regents may be called on request of any three members of the Board of Regents. (See also 20 U.S.C. § 44.)

2.05 NOTICE OF MEETINGS

Notice of regular meetings of the Board of Regents shall be given in writing to each Regent at least thirty days prior to such meetings. Notices of special meetings shall be given to each Regent at least ten days prior to such meetings. Information about matters to be considered shall be furnished to the Regents as soon as practicable prior to each meeting. (See also 20 U.S.C. § 44.)

2.06 ACTION BY BALLOT WITHOUT A MEETING

When requested by the Executive Committee, any action required or permitted to be taken at a meeting of the Board of Regents, except the election of a Secretary or the nomination of a member of the Board, may be taken without a meeting if a majority of the Board of Regents votes to approve the action by responding affirmatively to a written ballot distributed to each Regent by the Office of the Regents. The ballot shall set forth the proposed action(s) and provide an opportunity to specify approval or disapproval of each proposed action, a place for the Regent's signature, and a reasonable time within which to return the ballot to the Office of the Regents. Each Regent who wishes to vote must mark and sign the ballot and return it to the Office of the Regents within the time specified. The Regents' approval or disapproval of any action by this method shall have the same force and effect as a vote by the Board of Regents at a formal meeting of the Board. All ballots returned to the Office of the Regents shall be filed with the records of the proceedings of the Board of Regents maintained in the Office of the Regents.

2.07 EMERGENCY MEETINGS

CODIFICATION

Words "Coast and Interior Survey" appearing in Act Mar. 3, 1879, were in prior editions of the Code changed to "Coast and Geodetic Survey." Congress never created a Coast and Interior Survey. In a communication dated Nov. 6, 1940, the Director of the Geological Survey explained that the words "Coast and Interior Survey" were inadvertently incorporated upon authority of report contained in Senate Misc. Doc. No. 9, 45th Congress, 3d Session, which recommended the "Coast and Geodetic Survey" be changed to "United States Coast and Interior Survey" and an organization be created in the Interior Department to be known as the "United States Geological Survey." Congress adopted only the latter suggestion.

The Coast and Geodetic Survey was consolidated with the National Weather Bureau in 1965 to form the Environmental Science Services Administration by Reorg. Plan No. 2 of 1965, eff. July 13, 1965, 30 F.R. 8819, 79 Stat. 1318. The Environmental Science Services Administration was abolished in 1970 and its personnel, property, records, etc., were transferred to the National Oceanic and Atmospheric Administration by Reorg. Plan No. 4 of 1970, eff. Oct. 3, 1970, 35 F.R. 15627, 84 Stat. 2090. By order of the Acting Associate Administrator of the National Oceanic and Atmospheric Administration, 35 F.R. 19249, Dec. 19, 1970, the Coast and Geodetic Survey was redesignated the National Ocean Survey. See notes under section 311 of Title 15, Commerce and Trade.

CHANGE OF NAME

Pub. L. 102-285, § 10(a), May 18, 1992, 106 Stat. 171, redesignated the Geological Survey and provided that on and after May 18, 1992, it shall be known as the United States Geological Survey. An earlier statute [Pub. L. 102-154, Title I, Nov. 13, 1991, 105 Stat. 1000] had provided for the identical change of name effective on and after Nov. 13, 1991. See note under section 31 of Title 43, Public Lands.

§ 60. Army articles furnished to National Museum

The Secretary of the Army is authorized to furnish to the National Museum, for exhibition, upon request therefor by the administrative head thereof, such articles of arms, materiel, equipment, or clothing as have been issued from time to time to the United States Army, or which have been or may hereafter be produced for the United States Army, and which are objects of general interest or of foreign or curious research, provided that such articles can be spared. (Mar. 4, 1921, ch. 166, § 1, 41 Stat. 1438; July 26, 1947, ch. 343, Title II, § 205(a), 61 Stat. 501; Oct. 31, 1951, ch. 654, § 3(4), 65 Stat. 708.)
